## Letter of Recommendation

### To Whom It May Concern:

We take great pleasure in composing this letter of recommendation for Wasim Amer Nasher Alareqi , who recently concluded his one-month internship as a Data Analyst at NSDIC. We enthusiastically endorse him for his exceptional performance during his tenure with us.

His dedication and contribution to our data analysis projects were exemplary. He consistently showcased the ability to gather, clean, and interpret data, providing valuable insights that informed our strategic decisions.

In addition to his technical skills, the intern displayed excellent teamwork and collaboration abilities, effectively translating complex technical findings into actionable insights.

What truly sets him apart is his commitment to continuous improvement. Actively seeking opportunities to expand his knowledge and skills in data analysis, he showed a genuine passion for the field. We have no doubt that this individual will excel in any role requiring data analysis expertise, given his dedication, skills, and strong work ethic.

We wholeheartedly recommend this intern and believe he has a bright future as a Data Analyst.

**Best regards,**

## **Letter of Recommendation**

CIN: PIT/JUN24/00225

Date: 01/07/2024

To Whom It May Concern,

I am writing this letter to highly recommend Wasim Amer Nasher Alareqi from MITWPU for his exceptional performance and dedication during his tenure as a Data Science intern at Prodigy InfoTech. He has truly impressed me with his strong work ethic, passion, and ability to excel in his assigned tasks.

Throughout his internship, he consistently demonstrated a high level of professionalism, taking initiative, and exceeding expectations. He exhibited remarkable technical skills and a strong understanding of the industry. He tackled complex projects with enthusiasm, displaying great problem-solving abilities and an aptitude for learning.

His attention to detail, creativity, and willingness to go the extra mile set him apart from his peers. Based on his outstanding performance and potential, I have no doubt that he will continue to thrive and make significant contributions in his future endeavours. It is with great pleasure that I recommend him for any future opportunities or positions he may seek.

Best regards,

Deven Chopra  
Software Engineering Manager

# Certificate of Course Completion

Wasim Alareqi

has successfully achieved student level credential for completing the Cybersecurity Essentials course.

The student was able to proficiently:

- Describe the tactics, techniques and procedures used by cyber criminals.
- Describe the principles of confidentiality, integrity, and availability as they relate to data states and cybersecurity countermeasures.
- Describe technologies, products and procedures used to protect confidentiality, ensure integrity and provide high availability.
- Explain how cybersecurity professionals use technologies, processes and procedures to defend all components of the network.
- Explain the purpose of laws related to cybersecurity.
